

## Seasonal High Tunnel Informational meetings

Program	District Capacity Building Assistance (ISWCC)
Lead Implementer	Butte Conservation District
Other Organizations	Private Party, U.S. Natural Resources Conservation Service, University of Idaho Extension
Project Primary Contact	Stephanie Barnes (stephanie.barnes@id.nacdn.net)
Project Stage	Completed
Duration	2018 - 2019

### Conservation Support ➤ District Capacity Building Assistance (ISWCC)

Two informational/educational meetings were held in Arco for produce growers who utilize seasonal high tunnels or who were interested in learning about high tunnels. Personnel from the UI Extension, NRCS, and the Butte SWCD were on hand to discuss all aspects of growing in high tunnels and covered the NRCS cost-share initiative to assist producers in installing a high tunnel.

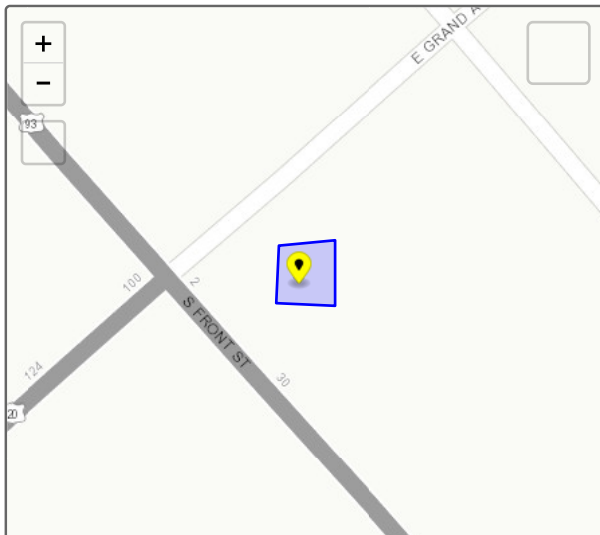

#### Key Accomplishments

- Conservation Planning: 2
- Conservation Planning (Meetings): 2

#### Project Themes

- Conservation Capacity Building
- Education and Outreach

#### Location

#### Expenditures

*No expenditures provided*

*Tracker tells stories at a broad-brush level. Individual project performance measures and expenditures should not be relied upon for complete and total accuracy and should be confirmed with a project's lead implementer. Project locations subject to confidentiality provisions under state and federal law specify the location of a local conservation district or USDA service center office.*
